

**IN THE CLAIMS**

This listing of claims will replace all prior versions and listings of claims in the application:

**LISTING OF CLAIMS:**

1. (Original) A cap with a curved visor, comprising:  
a crown formed of a plurality of panels; and  
a visor consisted of a rigid material and inner and outer fabric panels, which covers the rigid material, said visor being secured to a front side of said crown;  
wherein at least one incision line is made on the rigid material thereby creating a main portion and a strip portion, the main portion is inserted below the strip portion to retain said visor curved.
2. (Original) The cap with a curved visor of claim 1, wherein the panels of crown are made out of a common woven fabric material.
3. (Original) The cap with a curved visor of claim 1, wherein the panels are made out of a stretchable fabric material.
4. (Original) The cap with a curved visor of claim 1, wherein the rigid material is a flexible rigid material.
5. (Original) The cap with a curved visor of claim 1, wherein the rigid material is a non-flexible rigid material.
6. (Original) The cap with a curved visor of claim 1, wherein the at least one incision line is made on the rigid material in equal distance from an outer edge of the rigid material along a periphery of the rigid material.
7. (Original) The cap with a curved visor of claim 6, wherein more than two incision lines are made, each line is made in equal distance from an outer edge of the rigid material along a periphery of the rigid edge.

8. (Original) The cap with a curved visor of claim 1, wherein the rigid material is covered by the outer panel and the inner panel which are jointly stitched together at a periphery.

9. (Original) The cap with a curved visor of claim 1, wherein a periphery of the visor is covered with different color of fabric and stitched together with the outer and inner panels.

10. (Original) The cap with a curved visor of claim 1, a stitch line is created on an overlapping portion of the main portion and the strip portion in order to secure curve of said visor.

Claims 11-28. (Canceled)
